Long version: Ma Bebski, Happy belated birthday to youuu... One thing that I love about you is your smile, so I wish for you to always smile for your upcoming year. Semoga mengalihkan duniaku. May happiness and joy always be with you! I know it's been hard lately, but I believe the best is yet to come! I pray that you will find your calling as soon as possible and find joy in doing your calling. I also hope that you will get a good career opportunity after you graduate, not just making a lot of money, but also something that you enjoy doing. Semoga bebski makin deket sama Tuhan, keluarga, dan teman. Semoga bebski semakin grow, semakin bijaksana, makin pintar, makin dewasa, dan of course makin sayang aku. Smoga bebski juga sehat selalu, jangan sakit nanti aku hiks dan cengo. Aku sayaaaaang bgt bgt bgt bgt bgt bgt sama bebski. Senang berpacaran dengan anakmu.
